**DATE: April 19, 2006**

**HEADLINE: Rogers, Townsend & Thomas Acquires CaseAware™ Integrate Software**

**BODY:**

**St. Louis, MO -- (April 19, 2006)** - KMC Information Systems, L.C. ("KMCIS") is pleased to announce that Rogers, Townsend & Thomas PC, based in Columbia, SC, has purchased KMCIS' CaseAware™ Integrate. CaseAware™ Integrate is a software product that provides an automated, two-way transmission of data between Rogers, Townsend & Thomas' Case Management/Accounting systems and the prevalent Default Services industry middleware platforms – iClear®, NewInvoice®, NewTrak®, Lenstar® and VendorScape®.

Samuel C. Waters, the Department Head of RTT's Default Services Section pointed out that "integration with our clients will dramatically improve communications and reporting in a near real-time environment. We expect that the time savings from the implementation of CaseAware™ Integrate will increase capacity and alleviate firm requirements for additional personnel in the long term."

Sheri McClendon, the Projects Coordinator leading RT&T's Integration Software product selection effort stated "We chose KMCIS because of their strong understanding of our business processes as well as the demonstrated quality of their CaseAware Integrate™ product. We are confident that their product, services, and support will meet all of our needs."

Dan Cannon, COO of KMCIS indicated that "the KMCIS team is thrilled with the prospect of assisting a firm of RTT's prominence and reputation in taking their Default Services practice area to an even higher level of service, performance, and efficiency by utilizing the current technology and business processes found in the CaseAware™ Integrate software."

With offices in Columbia and Myrtle Beach, SC and the Virgin Islands, Rogers Townsend & Thomas, PC represents the interest of corporate and institutional clients throughout the country. The firm focuses on four distinct practice areas which include Default Services, Labor & Employment, Real Estate and Litigation.

Headquartered in suburban St. Louis Missouri, KMC Information Systems is a full-service Software Development and Consulting Company dedicated to implementing quality solutions for the Legal, Mortgage, and Title industries. KMC Information Systems' Professional Services group provides support for custom application development, system administration and support, and business process and technology consulting.
